

SITHUM DILSHAN

UNDERGRADUATE

Name in full : Ponnamperuma Arachchige Don Shehara Sithum Dilshan

Date of Birth : 15th of December 1999

ABOUT ME

I'm a web developer who is able to work on both the front end as well as the back end of a website. I can handle the logic, database, interactions, server configurations, and user authentication of an application and expert in MongoDB, Express, React, and Node. Well-experienced in using version control systems (GIT).

OBJECTIVE

Seeking a challenging position as a Software Engineer to leverage my technical expertise, problem-solving skills, and passion for innovation. I aim to contribute to the development of cutting-edge software solutions that drive efficiency, enhance user experiences, and positively impact the lives of people. I am eager to work within a collaborative team environment, learn and apply emerging technologies, and continuously grow as a professional in the field of software engineering.
